CATERING

WELCOME TO BAREFOOT CHARTERS!

When our Captain, Dean, founded BAREFOOT in 2014, he was struck by the staggering amount of waste generated by the charter industry. Determined to make a difference, we've implemented eco-friendly practices across our fleet.

Our commitment to sustainability:

- *All BAREFOOT boats recycle and avoid single-use items like plastic plates and cups.*
- *Reusable cups and glasses are available on every vessel*

Join us for a guilt-free cruise, knowing you're supporting sustainable practices while indulging in mouth-watering food.

We look forward to welcoming you aboard and Bon appétit!
